Dear Ms. Guerrero:

The Honorable Governor Kenneth E. Mapp has called the 32nd Legislature into Special Session to consider the Operating Agreement by and among the Government of the Virgin Islands of the United States and Limetree Bay Terminals, LLC and Limetree Bay Refinery, LLC., pursuant to Section 7 of the Revised Organic Act of 1954, as amended, for the Virgin Islands of the United States.

As a result, prior to Special Session scheduled for July 25, 2018, the Legislative Committee of the Whole will convene on Friday, July 20, 2018, in the Virgin Islands Cardiac Center Conference Room, Governor Juan F. Luis Hospital and Medical Center at 10:00 a.m. During this time, the committee will receive testimony on the Operating Agreement for the Limetree Bay Terminals, LLC and Limetree Bay Refinery, LLC. You or your designee are invited to testify before the Committee as to the environmental impact and any other concerns of EPA this body should be aware of as it relates to the terminal and the Refinery.

To expedite this process, the submittal of your testimony or anyone accompanying you to testify before the Committee is necessary. E-mail all testimony to mcastor@legvi.org and amorris@legvi.org prior to the scheduled hearing. Additionally, if you are unable to submit your testimonies three days before the hearing, you are asked to provide twenty (20) copies of your testimony for distribution, as no copying machine is available.

Should you have any questions or concerns please contact Ms. Marisel Castor, Committee Coordinator or Ms. Ayesha Morris, Chief of Staff in my office at (340) 693-3504.

Sincerely,
